

FRONTIER LIFELINE

(Dr. K.M.CHERIAN HEART FOUNDATION)

**Stem Cell enthusiasts
are welcome to**

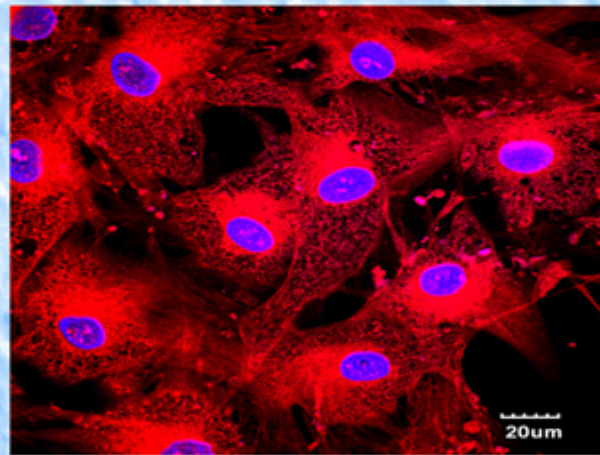

Intensive Workshop in Stem Cell Technology

VENUE : Frontier lifeline Hospital

Dr. K.M.Cherian Heart Foundation,

Two days Hands on Training on Stem cell techniques is being organized by R&D division of Frontier Lifeline Hospitals. The objective of the workshop is to equip the life science students with technical skills involving stem cells . As there exists a gap between the human resource produced by our academia and the expectation of the Research Investigators,

We intend to impart a hands on training session of undergraduates, Postgraduates, Research scholars from Lifescience/Medical sciences / Paramedicals .

Registration fee: Rs 5000 /-

**Contact : Dr. Balasundari,
Senior Research Scientist,
Frontier Lifeline Hospital, Chennai**

Telephone No: 44 42017575, Mobile:9884613368

Email: balasundari2001@yahoo.com

The R & D division is dedicated to Undertake Advanced research And application under the umbrella Of Tissue Engineering And Regenerative Medicine such as Biological Cardiovascular Implants, Stem Cell and Novel Bioactive Molecule

Hands on session	Practicals
Day 1	<ol style="list-style-type: none">1. Isolation and maintenance of stem cells from cordblood, bone marrow, cord tissue and other tissues.2. Viability assay, CFU assay for HScs and MSCs
Day 2	<ol style="list-style-type: none">1.Passaging stem cells2.Immunocytochemistry for stem cell markers3.Cryopreservation of stem cells demo
